School Transport Committee

Objectives:

The school transport Committee monitors the bus and transport safety. It takes leadership in implementing the RTO norms in the buses and in resolving the grievances of all stakeholders. It meets twice a year or when required to address all issues related to School transport. The School Transport Committee plays a crucial role in ensuring the safety and efficiency of school transportation services. It helps create an environment where students can commute to and from school safely, reducing the risk of accidents and incidents during their journeys.
